

Indoor Sports

As the home of New England's largest indoor playing surface, our goal is to provide coaches and players an opportunity to refine their skills, compete year-round, and, above all, have fun. The Sports Zone primarily services two core sports, soccer and lacrosse, however based on demand, we can broaden our horizons to virtually any field sport, such as field hockey, flag football and others. We can even host your practices for marching band or cheerleading! For questions or to receive additional information, please visit our web site, www.thesportszone.net or contact us at 203-268-1214.
